

FREE MEDICATIONS FOR OPIOID USE DISORDER TRAINING

Eligible health care providers can access free training that allows them to administer buprenorphine and other medications for opioid use disorders (MOUD).

HRSA's National Health Service Corps (NHSC) is connecting you to this opportunity via SAMHSA's Providers Clinical Support System (PCSS).

ELIGIBLE DISCIPLINES

- Physicians (MD or DO)
- Nurse Practitioners (NP)
- Physician Assistants (PA)
- Certified Nurse-Midwives (CNM)
- Certified Registered Nurse Anesthetists
- Medical Students

This training also satisfies the June 2023 mandate for health professionals who are registering or renewing a DEA license. Visit the [Drug Enforcement Agency's Medication Assisted Treatment page](#) to learn more about the training and how to obtain your DEA number.

ABOUT THE TRAINING

- Free to complete
- Available in-person or online
- Only eight hours
- Complete at your own pace
- Offered year-round
